

# NASA Earth Science Data Systems Software Reuse Working Group Peer-Recognition Software Reuse Award

Awards presented by:

James Marshall, ESDS Software Reuse WG

8th Earth Science Data Systems Working Group Meeting

Wilmington, DE

October 20–22, 2009

- Designed by the WG to recognize the contributions and achievements of those people and projects whose efforts in the area of software reuse further the work of NASA Earth science research.
- Awards are decided annually in early September.
- Number of awards given is based on the quality of the nominations received.
- Awards may be issued in any or all of three categories:
  - Contribution
  - Utilization
  - Peer Education
- Details about the award can be found in the process document on the portal web site at:  
<http://www.esdswg.com/softwarereuse/Resources/awards/>

---
